

Food System Tool Evaluation

We are all here to learn from each other, so that to end, we appreciate your feedback. Please take a few moments to share your experiences related to a *key strategy or practice* that you consider to be critical to the success of any partnership or collaboration in which you have played an active role. This *key strategy or practice* could have evolved from a *Lesson Learned...* If you prefer to share the lesson learned instead, or in addition – please do so.

A strategy that I consider to be key to a successful partnership is...

A lesson I have learned through a partnership experience is...

We would like to continue to learn from each other. If you would like to share any of your community level partnership experiences and be kept informed about ours, please include your name and contact information below.

Please share your affiliation - even if you choose not to participate in further discussions. Thank you!
